

## *Northeast Community School District*

Form 471 # 985011

**Request for waiver:**

Northeast Community School District requests waiver from filing the form 471 on or before the deadline of March 26, 2014. I am new to the position and I misunderstood the 470 deadlines and 28 day waiting period. I missed the 470 deadline by one day, I then followed all of the proper procedures for the 28 day waiting period and therefore filed the 471 one day late.
